- 1. NATURE OF ACTIVITIES:** Being around and riding horses comes with inherent risk. Horses are powerful and unpredictable creatures whose actions may cause physical harm while riding them or being around them on the ground. Operations of the Indemnitees' may require the use of heavy equipment, sharp objects and other hazards. There is no guaranty that being around these dangers will not result in injury to life, limb, or property.
- 2. ACKNOWLEDGMENT:** By signing this Agreement, I hereby acknowledge on behalf of myself, or the above-named participant for whom I am the legal guardian, that I have familiarized myself with the nature of the activities as described above which I/the participant will be allowed to engage in by virtue of being granted permission to participate in events, trail rides, or other activities organized by the Indemnitees. I do hereby acknowledge and agree that I/the participant want to participate in the aforementioned activities despite any risk involved and am willing to fully and forever release the Indemnitees, and their principals, agents, employees, members, and assigns from any liability arising out of or in any way connected with my/the participant's participation in related activities, including riding a horse owned or controlled by the Indemnitees and/or any act, error, or omission of the Indemnitees. I recognize and accept the inherent risks involved in riding and working with horses, including but not limited to abrasions or contusions from direct contact with the horses, trauma incurred from falling from a horse, injury from contact with equine equipment or facilities, allergic reactions, tripping in or over objects, slipping or tripping on wet, muddy, icy, or uneven surfaces, death, disability, damage to property, and other possible injury or damages. *I understand that the Indemnitees recommend wearing a safety helmet when riding but that I am solely responsible for whether or not I use a suitable helmet.*
- 3. ASSUMPTION OF RISK AND HOLD HARMLESS:** I, on behalf of myself/the participant and any and all of my/the participant's heirs, beneficiaries, assigns, relatives, and successors hereby assume any and all risk related to my/the participant's participation in any related activities, including the use of horses owned or controlled by the Indemnitee and any consequence of any act, error or omission of the Indemnitees. CAVE CREEK SADDLE CLUB GUIDELINES FOR SAFE TRAIL RIDING

1. Each ride will have a designated trail boss and one or more drag riders. These persons are responsible for everyone's safety and enjoyment on the ride. Stay with the group, behind the leader, and in front of the drag rider(s).
2. Proper equipment should be used on all trail rides for the safety of the horse and rider.
3. Stay on the trail. Do not cut corners. When the trail permits, side by side riding will provide an opportunity for conversation.
4. ANY HORSE WILL KICK. A red ribbon tied to a horse's tail lets others know it is a known kicker. Maintain a safe distance between horses. Stay at least one horse length between your horse and the horse in front, 2 - 3 horse lengths on hills.
5. Do not speed past or up behind another horse, and never pass in dangerous terrain. When necessary to pass the horse in front of you, call out your intentions.
6. Warn others of hazards on the trail. When stopping on the trail, stop clear of other horses and advise the trail boss and other riders why you need to stop. Do not stop on inclines or declines, or in thick cholla, with other horses behind you.
7. NO dogs, stallions or alcohol allowed on club rides.
8. Firearms are permitted ONLY in responsible hands. Use is for trail emergencies only. Any individual deemed irresponsible will be required to leave their firearm behind or not participate in the ride.
9. CCSC rides and activities are a "POLITICS FREE ZONE". Everyone has a right to their own beliefs, but as the old saying goes you don't discuss "race, religion or politics". Save it for social media, political groups, etc.
10. At the advice of insurance agents, only CCSC club members are allowed on club rides. However, we welcome and encourage guests. A one day trial "club membership" is available for a nominal fee to accommodate guests and prospective members. Riders under the age of 18 must be accompanied on the ride by the responsible adult aged 21 or older.
11. Rides will be graded on a one to four basis to let the riders be prepared for safer trail riding and to determine if they or their horse is qualified. Each trail boss shall grade the ride and let the secretary know prior to sending out the newsletter or group e-mail.
